MM 105-1598

For the information of the Bureau, [Mr. JOSEPH VIDAL, CIA, reported on 7/9/63, that FERNANDO CABEZAS had been pulled out of this operation by CIA; that SALVADOR GARCIA OLLER, in whom CIA has an interest, will probably stay in the operation; but that CIA is no longer in a position to exercise any control over this planned operation and had so notified U. S. Customs, Miami, so that appropriate action could be taken by the responsible Government agencies.] (u)

Mr. WALLACE SHANLEY, U. S. Customs, advised on the same date that Customs has resumed its investigation in this matter and he requested that this office furnish him with any additional pertinent information concerning plans, etc.

MM 635-S has been instructed to obtain additional information on a current basis concerning developments.

MIAMIAT MIAMI, FLORIDA

Will report further developments to the Bureau and interested local agencies.
